A Word from Your Current (& New) HSP West President

By Donna LaRocco,
The Woodmark at Sun City

Dear HSP West Members:

HSP has always been a special group for me. Having served on the board for the last two years in other positions, I am excited to begin my term as President.

I'm looking forward to growing our membership and relationships. This year is full of new opportunities for me, with joining the team at the Woodmark at Sun City and serving as President of HSP West.

I am fortunate to have a great board for support and am anticipating an exceptional year for all of us.

Sincerely,

Donna La Rocco
President, HSP West

A Word from Your Past HSP West President

Dear HSP West members,

You know the old saying...some see the glass as half empty, while others see it as half full. Well, here's a twist...a volunteer just sees a glass of water and looks for someone who is thirsty. That is exactly what your HSP West Board of Directors strives to do. They volunteer their time, talents and knowledge to bring in new members that will benefit from the networking and camaraderie of fellow members. They try to welcome both seasoned and new members at each meeting, always keeping an eye open for a 'good match' among the membership. They try to extend themselves to the membership through breakfasts, socials, email and an occasional lunch or two. They attempt to bring that 'glass of water' to individuals who are thirsting for quality contacts and support from the business community.

Throughout the last year, it has been my true privilege to serve as your board president. This year has not been without its difficulties, but through it all, your board has worked in your behalf, striving to guide HSP West to bigger and better things. To Linda, Gabriella, Donna, Jill, Tom, Kitty, Dave and Susan, I thank you for your support, your hard work and your patience. To our new board, I wish you only the best as you take on the leadership roles for an outstanding organization.

Remember... the next time you see someone in our business community who looks like they might be a little 'thirsty' for a good, solid networking group, extend your hand and offer that special HSP 'glass of water'. Someone did the same for you. Now it's your chance to share the favor.

With gratitude,
Suzanne Stillion
HSP West Past President

Question:

Is HSP West open to anyone who wants to be a member... or only professionals in the Health Care Industry?

Answer:

HSP West is open to anyone!

HSP West a networking group comprised of professionals from all walks of life who work in the West Valley.

Members provide each other with business referrals, personal and professional support, and a means of interacting with peers who truly understand the unique stresses and challenges of working with seniors in our community.

Come join us every month for food, fun and fellowship!
