A Word From Your HSP West President

*By Susan Dahlquist
Hospice Inspiris*

Happy New Year HSP West Members,

Out with the old and in with the new. Welcome to 2007!

This New Year brings new changes for HSP West.

We are going paperless for the first time. We will be phasing in the transition over the next few months. What this means to you the member, is that information on membership, job postings, meeting schedules and speakers will all be on our website.

You will also be able to RSVP via the internet.

For those who do not have access to the internet, we will continue to send out postcard reminders. To continue to receive the postcard, please notify Linda Olson or Gabriela Istrate and verify your mailing address.

As our membership drives continue, it is important that we have correct information, so please fill out the application to include any changes to your profile.

We are always looking for ways to improve the networking benefits of HSP West, so if you have any suggestions or concerns, please contact myself or any of the board members.

With your involvement, we look forward to a great new season!

Hope that everyone has a prosperous New Year,

Susan Dahlquist-Rego
Hospice Inspiris
HSP West President
