

HSP West

*(Human Service Professionals)
invites you to reach out to
those in need.*

*This holiday season, we are asking for donations
of the following items:*

- *Gently used outerwear coats...any size or style, adult and children's sizes*
 - *Blankets...new or gently used*
 - *Packages of socks - all sizes*

*All donations will be given to
Operation Hope,
a local organization that provides coats, blankets,
clothing and food AT NO COST to anyone in need.*

***Operation Hope** is a small group of dedicated seniors with big hearts. Community need has grown tremendously this year and more and more people are coming to them requesting the basics that everyone should have...coats, blankets and just a pair of warm socks. Won't you join us in helping those in our community who are in need?*

Thanks for sharing!!
